

## Licensing

We provide this software under a slightly modified version of the Apache Software License. The only changes to the document were the replacement of "Apache" with "Pcapy" and "Apache Software Foundation" with "CORE Security Technologies". Feel free to compare the resulting document to the official Apache license.

The `Apache Software License' is an Open Source Initiative Approved License.

The Apache Software License, Version 1.1  
Modifications by CORE Security Technologies (see above)
